SPIRIT 2013

**The Class of 2013, proudly and humbly,  
dedicates the 2013 Spirit to  
Mrs. Mary Choquette.**

Mary began her career at Clarendon Elementary School in 1975. We were blessed in 1998 when she joined us at Mill River!

The number of children Mary has fed the last 38 years cannot be counted! She knows when you need a meal and makes sure nobody has ever gone without one. She has fed us, watched us grow, listened to our stories and has laughed and smiled at our antics! She is patient, kind, generous, giving and reminds us daily how special each and everyone of us is.

Well, Mary, YOU are special to us.  
Pure and simple Mary, We Love You!

You have graced our days with your beautiful smile and your blessed spirit. Thank you for being a part of our lives.

# Mr. Craig Shappy...

**Happy Shappy...**

You entered our "spirited" lives as you skipped down the hallway to...Room 106!

**Shappy is your name.**

Vice Principal is your game.

You became our...

Wardrobe Consultant

Chief Referee

Grammar Coach

Parent Communication Specialist

Chief Diffuser

Timekeeper

Hospitality Suite Advisor

King of Schedules

Our Strongest Shoulder

The Most Sympathetic Ear

Our Bridge Over Troubled Waters

And Most Importantly Mr. Shappy...

You became our friend.

Thank You Shap for all the lessons, the fun and most importantly...your time.

**We will miss you! Always be happy Shappy!**

# Youri Youkov

In loving memory of Mr. Youkov, who filled our study halls with hundreds of "The Friday Song" and was whole heartedly dedicated to us at Mill River for 11 years.

He enjoyed living in Vermont, liked nature, skiing, traveling, playing piano, cooking, swimming, and loved the winter season. We keep him with us in Spirit each and every day. We miss you Mr. Youkov and we will never forget you.

"Today is Friday.  
Today we celebrate.  
I am fine, You are fine, Youkov fine,  
Everybody fine!"

# 13 Years of Hassle

Taylor and Trishie  
Seems like just yesterday we were having sleepovers and going to see Mickey at Disney World, and now you're getting ready to graduate and go to college! I can't believe how fast the past 17 years have gone by. I'm so blessed to have two amazing sisters like you. Trishie you're so smart, goal oriented and a great leader on and off the court. Taylor you're such a strong, confident person always fighting for what you believe is right. I truly admire both of you and know that you'll succeed in everything you pursue. I wish you both the best of luck. I'm gonna miss you!  
Love you, Allie

Just like two peas in a pod.  
See one, see the other. Make  
the most of everything you do.  
Love you, Mama

Buggie and Trishie,  
Congratulations! I am so proud of  
you both. I know Papa would be  
too!  
Wishing you the best of luck in  
college!  
Love you always and forever,  
Grama Lou

We have been through  
everything together. I could  
not ask for a better twin  
sister! We have been by  
each other's sides since day  
one. You're my very best  
friend and I know you will go  
so far in life. Remember  
twinning round of the person  
you have become. Go out  
there and make me even  
more proud is the best kind  
of winning. I'm so proud of  
the person you have  
become. Go out there and  
make me even more proud.

Tay,  
I can't believe that we  
are seniors now! I still  
remember the days  
of Currier, dressing  
up for Halloween and  
always having a  
blast. I am so glad  
that I can call you my  
twin sister! "Wulda  
you lookin' at  
pinhead?" I love you  
so much Tay, and no  
matter how tall I grow  
(What is it now 8  
inches?) you will  
always be my big  
twin sister.  
I love you! <3

To our beautiful son, Gage,  
We are so proud of you and all that you have accomplished these past 18 years. It has been a blessing and an honor to watch you grow from a precious baby into a remarkable young man. You inspire us with your knowledge, your wisdom, your kindness, your dedication and your large capacity to love. We know that your future will be full of many exciting adventures and memorable moments - and that you will fully embrace each and every one. You have always shined; always been special and unique and truly one of a kind. You have stayed true to yourself and what you believe in, even in the eyes of adversity. You will go far in life, and you will turn all your dreams into a reality. We will be here for you always, and we will be forever thankful that we are the parents of such an amazing person. We will miss your laughter, your guitar playing and your singing next year. Keep smiling and congratulations.

Love, Mom and Tom

To my brother, Gage,

It is hard to believe that you are graduating and heading off to college soon. I will miss having you with me every day. Home will not be the same without you there. Maybe we took for granted how quickly time would pass and how soon the day would come when we would start leaving home and going our separate ways. You are the oldest-you were the one who always led the way. We have had so many good times together...times that we shared and will always remember. You have always been a great role model for me. Someone I could look up to and follow along the right path. I will always be the happiest when we are all together. Brotherhood is a bond that can never be broken, no matter how many miles may distance us. I love you and congratulations.

Your brother, Logan

Dear Gage,

I am proud to call you my brother. You are very smart and you have a great future ahead of you. I am going to miss you when you are gone. I will miss watching movies, playing video games and hanging out with you.

You are a great big brother.

Congratulations on your graduation. I love you! Your brother, Ty

Dear Gage,

My first-born grandson and one of the greatest joys and true blessings to our family for the past 18 years. Hopefully you know how very proud we are you. Not only for the young man you have become, but also for all of your determination and hard work you apply in all that you do. And, of course, we want you to know how truly happy we are for you as well. With so many wonderful experiences awaiting you. All earned and deserved! I know in my heart that if you continue to stay true to yourself, as the caring, giving person you have always been, life holds only the very best for you and your future. It came as no surprise that you chose to pursue a career in which you would be helping others. As usual, always looking out for, and wanting the best for everyone. So, as you venture towards that next new and exciting chapter in your personal journey, please know that my love, thoughts and best wishes are with you always!

I love you, Gram

Leslie,

Nicole,

Wow, I can't believe the time has come for you to be graduating high school! It seems like it was just yesterday we were out in the yard riding bikes, playing barbies, shooting hoops, playing "tara", etc. I'm so proud of the person you are becoming and I know you'll do great in your next chapter in life! Always remember that I'll always be here for you, not just as your sister, but as your friend! Good luck and congrats on graduating! I love you so very much!

Love your proud Big sister (G-Rill)

Amanda

Cole,

It's hard to believe you're a senior, time sure does fly. I want to say how proud I am of you and all that you have accomplished so far in your life. While you're away at college, I'm going to miss being funny with you, and driving you nuts. I can always text you, ha ha. Good luck going forward in whatever career you choose.

Peace and theta! Love, Dad

Nicole,

Well here you are my princess an MRUHS graduate. I am so proud of your accomplishments in academics and sports and treasure your kind heart. Now the sky is the limit, enjoy each step.

God bless you Nicole "Have a good night now"

Love you, Gram!

Dear Nicole,

Know that I love you with all of my heart and if I wasn't your mother, I would be wishing that I was. I love watching you make people laugh with things like "In the name of the father", singing Grease songs, and of course the fuzz. I love you just the way you are and I am so proud to be your mother. You'll be missing dad asking "who was in a towel?", and of course never forget. Dearest Beloved, Congratulations on graduating Nicole! Show the world who you are. Lord knows you're a girl! We're so proud of you!

Love, Mom

Tara,  
Thank you for  
playing life with  
me a lot.

Justin

Tara,

We are proud of your achievements in school and in life.  
Including captain of the team, getting a scholarship to college, and raising money for the Macy's Day Parade.  
Keep making yourself proud!  
Dad

Tara,

This senior year, you have blossomed into a wonderful, self confident young lady. You achieved the many goals that you set for yourself. And we are confident that you will thrive in the next chapter of your life. As a baby already, you always knew what you wanted and you had a way to let us know.

Your strong personality was there as much then as it is now and if you channel it well, it will be a formidable asset for you.

Love Mom

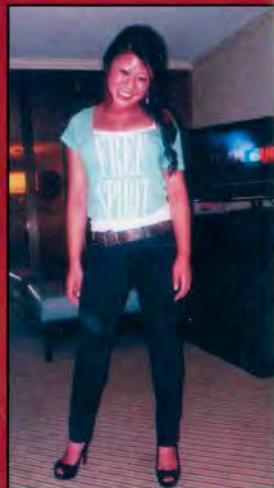

Anna,

I've been so proud of all you have done  
and more importantly,  
of who you have become.

You brought such joy to my life.

I'll LOVE you FOREVER.

DAD
